ORPAK Automatic Vehicle Identification (AVI) System

Contactless refuelling and payment solution

Orpak's Automatic Vehicle Identification (AVI) ensures the safety of your customer and employees by enabling contactless payment. Suitable for both self-service and forecourts with station attendants. A relevant solution for today's challenging times and tomorrow's refuelling experience.

HOW IT WORKS

ORPAK AVI works through wireless communication and authorizes dispensing when it identifies a vehicle that is fitted with an ORPAK AVI RFID unit. Forecourts with station attendants can even provide a complete hands-free refuelling experience. Customers can opt to make pre-paid payment or direct bank charge through a simple online account setup.

WHY CHOOSE ORPAK AVI

Safe distancing

- Near-zero physical contact
- Contactless payment through charging account

Efficient refuelling

- Automatically identifies and authorises refuelling for approved vehicles
- Monitor and manage refuelling with ORPAK AVI software

Increase customer loyalty

- Encourage brand loyalty and repeat visits
- Easy refuelling and payment method

Maximum security

- Fuel is dispensed only to authorised vehicles with valid charging account
- Secure RFID wireless communication system and management software
- Integration into existing forecourt controller and POS system

ABOUT ORPAK

Orpak delivers comprehensive solutions to oil companies and commercial fleets, improving profitability and optimizing performance from the forecourt to the head office. Our hardware, software and services enhance the entire retail fuel network and fleet management value chains, be it the single fuel transaction, retail network optimization or business analytics. Orpak has an over 30-year track record of success and innovation. Known for rapid deployment of large end-to-end projects, our field-proven products are installed in more than 40,000 service stations and 7.5 million vehicles across 60 countries. Orpak solutions are distributed via an international network of subsidiaries and value-added partners. In 2017, Orpak became part of the Gilbarco Veeder-Root group.
