**GILBARCO AUSTRALIA PTY LTD  
WARRANTY TERMS**

**EFFECTIVE 1.8.2011**

Gilbarco warrants that the goods and services it supplies will be free from defects in workmanship and materials for the time period and terms detailed on the reverse side and in accordance with the Gilbarco *Conditions of Sale*.

Gilbarco undertakes to restore any equipment which fails due to such defects to full working order provided the equipment is returned to the Gilbarco service centre at the owner's expense. Equipment repaired under warranty will be similarly warranted until the end of original warranty period.

Equipment which has been installed and commissioned by Gilbarco will be covered for travel to site and for labour while working on site, during normal business hours, unless otherwise stated on the reverse side.

**GENERAL EXCLUSIONS**

The Gilbarco warranty will be nullified, reduced or not apply when:

- Any monies are still owing to Gilbarco for the goods or services in question.
- Equipment is resold.
- Installation, commissioning or servicing is not carried out in accordance with the Gilbarco Installation, Operating and Service procedures.
- Fluid handling equipment is damaged by contamination within the product e.g. sand, water etc.
- Damage or failure is caused by phenomenon such as lightning, fire, flood or severe environmental conditions.
- Damage or failure is caused by accident, neglect, misuse, abuse or after reasonable wear-and-tear occurring from normal operation.
- Faults are caused by incorrect operator programming or operator error.
- Unapproved replacement parts are used or unauthorized alterations are made to equipment, including servicing by unauthorized personnel.
- The equipment is connected to supply voltages or other electrical equipment which are not approved by Gilbarco.
- Consumable items become depleted or ineffective such as paper rolls, printer ribbons and product filters.
- Pump or dispenser components are in contact with fuels containing more than 5% methanol or 10% ethanol or any other product not approved by Gilbarco.
- The equipment is installed outside Australia – refer to Export Warranty Terms.
- The serial number or identification plates are modified, rendered illegible or removed.

**GILBARCO AUSTRALIA PTY LTD - PROPRIETARY  
DOMESTIC PRICE LIST  
WARRANTY TERMS**

**THIS WARRANTY DOES NOT COVER INDIRECT DAMAGE OR LOSS:**

Under this warranty, Gilbarco will not reimburse you for any special, indirect, consequential types of loss however caused (including negligence) and whether or not such loss was foreseeable. These types of losses include, but are not limited to, economic loss including loss of actual or anticipated profits, business interruption, loss of use, revenue, reputation and/or data, costs incurred, and loss or damage to property or equipment.

**FILING A CLAIM**

If you wish to file a claim under a warranty, please contact *Gilbarco Head Office at 20 Highgate Street, Auburn, New South Wales or on (02) 8737 7777.*  
Email: sales.oz@gilbarco.com

The equipment must be returned to a *Gilbarco service centre* at the owner's expense. Please visit our website <http://www.gilbarco.com.au> for details of Gilbarco service centres in your State/Territory.

If requested, you must provide evidence in the form of original invoices to prove the date of purchase and ownership of the equipment.

If requested, any defective parts must be returned immediately to Gilbarco freight paid and at your risk, together with all evidence you may have as to the cause of the alleged defect.

Claims must be filed not later than one month after the expiration of the applicable warranty period.

**GENERAL**

The benefits contained in this warranty are in addition to other rights and remedies you may have under statute, including the Australian Consumer Law.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
