

Endura

High quality dispenser for commercial applications.

- ✓ Reliable and durable
- ✓ Flexible and adaptable
- ✓ Great value for money

Reliable and durable

- Robust and reliable enabling usage in commercial and industrial environments
- Designed and manufactured in Germany
- Best in class hydraulics and electronic components
- Powder coated steel or stainless steel finish

Flexible and adaptable

- Offers different flow rates
- One or two hose options
- MID and non-MID versions
- Can be operated as a stand-alone pump or integrated with most Fleet Management Systems
- Fleet Management System compatibility using Pulse output (Multiwire) or Gilbarco Veeder-Root – 2 wire

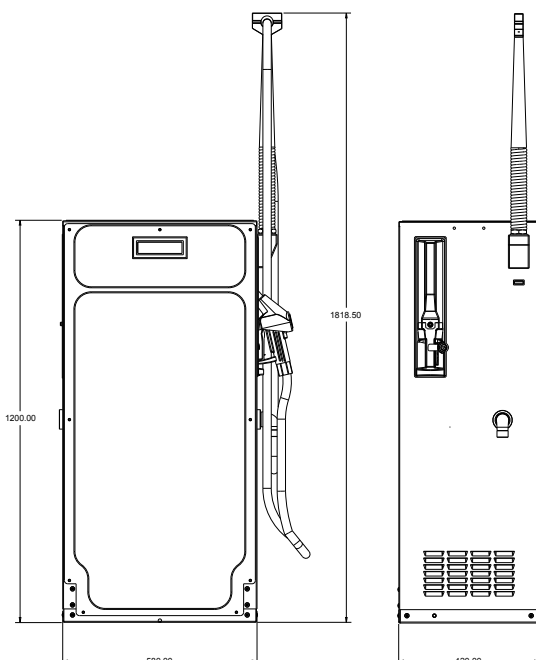

Why Endura?

- ✓ One grade with one or two hoses (one fuelling position)
- ✓ Island oriented
- ✓ Volume (litres) counter
- ✓ Single/double sided 5 digit backlit display
- ✓ Non-ATEX, non-MID (for Diesel and Biodiesel only)
- ✓ Flow Rate: 40 lpm (70, 120, 40/120 lpm optional)
- ✓ Powder coated sheet metal
- ✓ Elaflex hanging hardware (compatible with other standard hanging hardware)
- ✓ Hose reach of 3.5m

Great value for money

- High quality, proven components
- Robust and reliable
- Minimal maintenance
- Low total cost of ownership
- One step electronic calibration
