Handsome  
ROI.

Encore® S

## Encore®

Can new dispensers generate new profit? When you choose the Encore family from Gilbarco Veeder-Root, they can. Whether you're looking for a fresh look, the highest reliability, a better flexible fuel or Diesel Exhaust Fluid (DEF) offering, or a whole new way to market your brand, Encore has what you're looking for.

As the technology leader, we've designed the Encore family to grow with you. So no matter which model you choose, your investment will keep paying off for years to come.

Technology with a human touch.

## Encore® S

### Dispensing more than just fuel.

Gilbarco is redefining the forecourt with the Encore S, a Web-enabled dispenser that offers more of what matters in your world. Available in full color, it delivers improved margins, increased loyalty, and smoother operation — today and in the years to come.

#### Applause™ TV & Applause Media System

- > Constantly updated promotional content to refresh your messaging
- > Value-added promotions keep customers coming back
- > No changes to CRIND® peripherals or most POS systems required

#### Unmatched environmental protection

- > Flexible fuel option offers integrated dispensing for alternative fuels, including biodiesel and E85
- > DEF + 1 model provides new revenue opportunities with travel plazas
- > Optional VaporVac® system meets Stage II vapor recovery requirements without nozzle bellows

#### Advanced security and payment options

- > Better physical fuel protection from a PIN-protected operator keypad, optional meter collar and a variety of cabinet locking options
- > Better payment security options, including a secure card reader, an encrypting keypad, and full PCI and EMV-certified CRINDs
- > More payment options, including RFID contactless payment, cash acceptors and barcode readers

#### Superior design and durability

- > Optional Ecometer™, the industry's most proven advanced meter, provides improved accuracy to conserve your valuable fuel
- > Easy installation, with a roomy hydraulics cabinet and no below-grade access required
- > Superior usability, with a reliable, high-speed 6" printer, positive feedback grade selects, angled hose outlet castings and ergonomic nozzle boots
- > Superior durability, with a best-in-industry 4-year corrosion warranty, solid metal frame and sheathing with automotive-quality coatings, and a high-quality PPU lens
